No. 57-87 September 29, 1987

BRIG. GEN ALLEN IS NEW AIR LOGISTICS CENTER VICE COMMANDER

Brig. Gen John R. Allen Jr. has been named the new vice commander for the Sacramento Air Logistics Center at McClellan Air Force Base.

Prior to his assignment to McClellan, General Allen was commander of the 45th Air Division, Strategic Air Command, Pease AFB, New Hampshire.

He replaces Brig. Gen. James W. Hopp, who is now Air Force Logistics Command's deputy chief of staff for Communications-Computer Systems Center and commander of the Logistics Management Systems Center at Wright-Patterson AFB, Ohio.

A native of Louisville, Ky., General Allen began his first Air Force operational assignment in December 1959, when he was assigned to Little Rock AFB, Ark., as a B-47 co-pilot. In June 1964 he was transferred to the 393rd Bombardment Squadron at Pease. After completing B-52 training he was assigned to the 20th Bombardment Squadron, Carswell AFB, Texas, as a B-52 commander and later served as chief of the Standardization Division.

Between 1969 and 1971, he flew 150 B-52 combat missions during three temporary duty tours in Southeast Asia and served as chief of the Tactical Evaluation Division, 8th Air Force, Andersen AFB, Guam.

In 1972, he was assigned to Headquarters, Strategic Air Command, Offutt AFB, Neb. While stationed there as an air operations staff officer, he helped certify Navy sea mines for use on B-52Ds and completed feasibility tests on the B-52 high-altitude laser-guided bomb delivery. Positions as chief of the Aircraft and Weapons Test Branch and executive officer to the deputy chief of staff for operations, also at SAC headquarters, soon followed.

In February 1977, the general assumed command of the 46th Bombardment Squadron, Grand Forks AFB, N.D., and then was transferred in August 1978 to the Air Staff at Headquarters, U.S. Air Force, Washington, D.C. During this period he served as one of two action officers who presented Air Force positions to the Joint Chiefs of Staff on the strategic arms limitations talks.

General Allen received a bachelor of arts degree from the University of Nebraska in 1975 and a master of arts degree in management and supervision from Central Michigan University in 1979.

His military education includes the Industrial College of the Armed Forces and Harvard Universitys Senior Defense Managers Program.

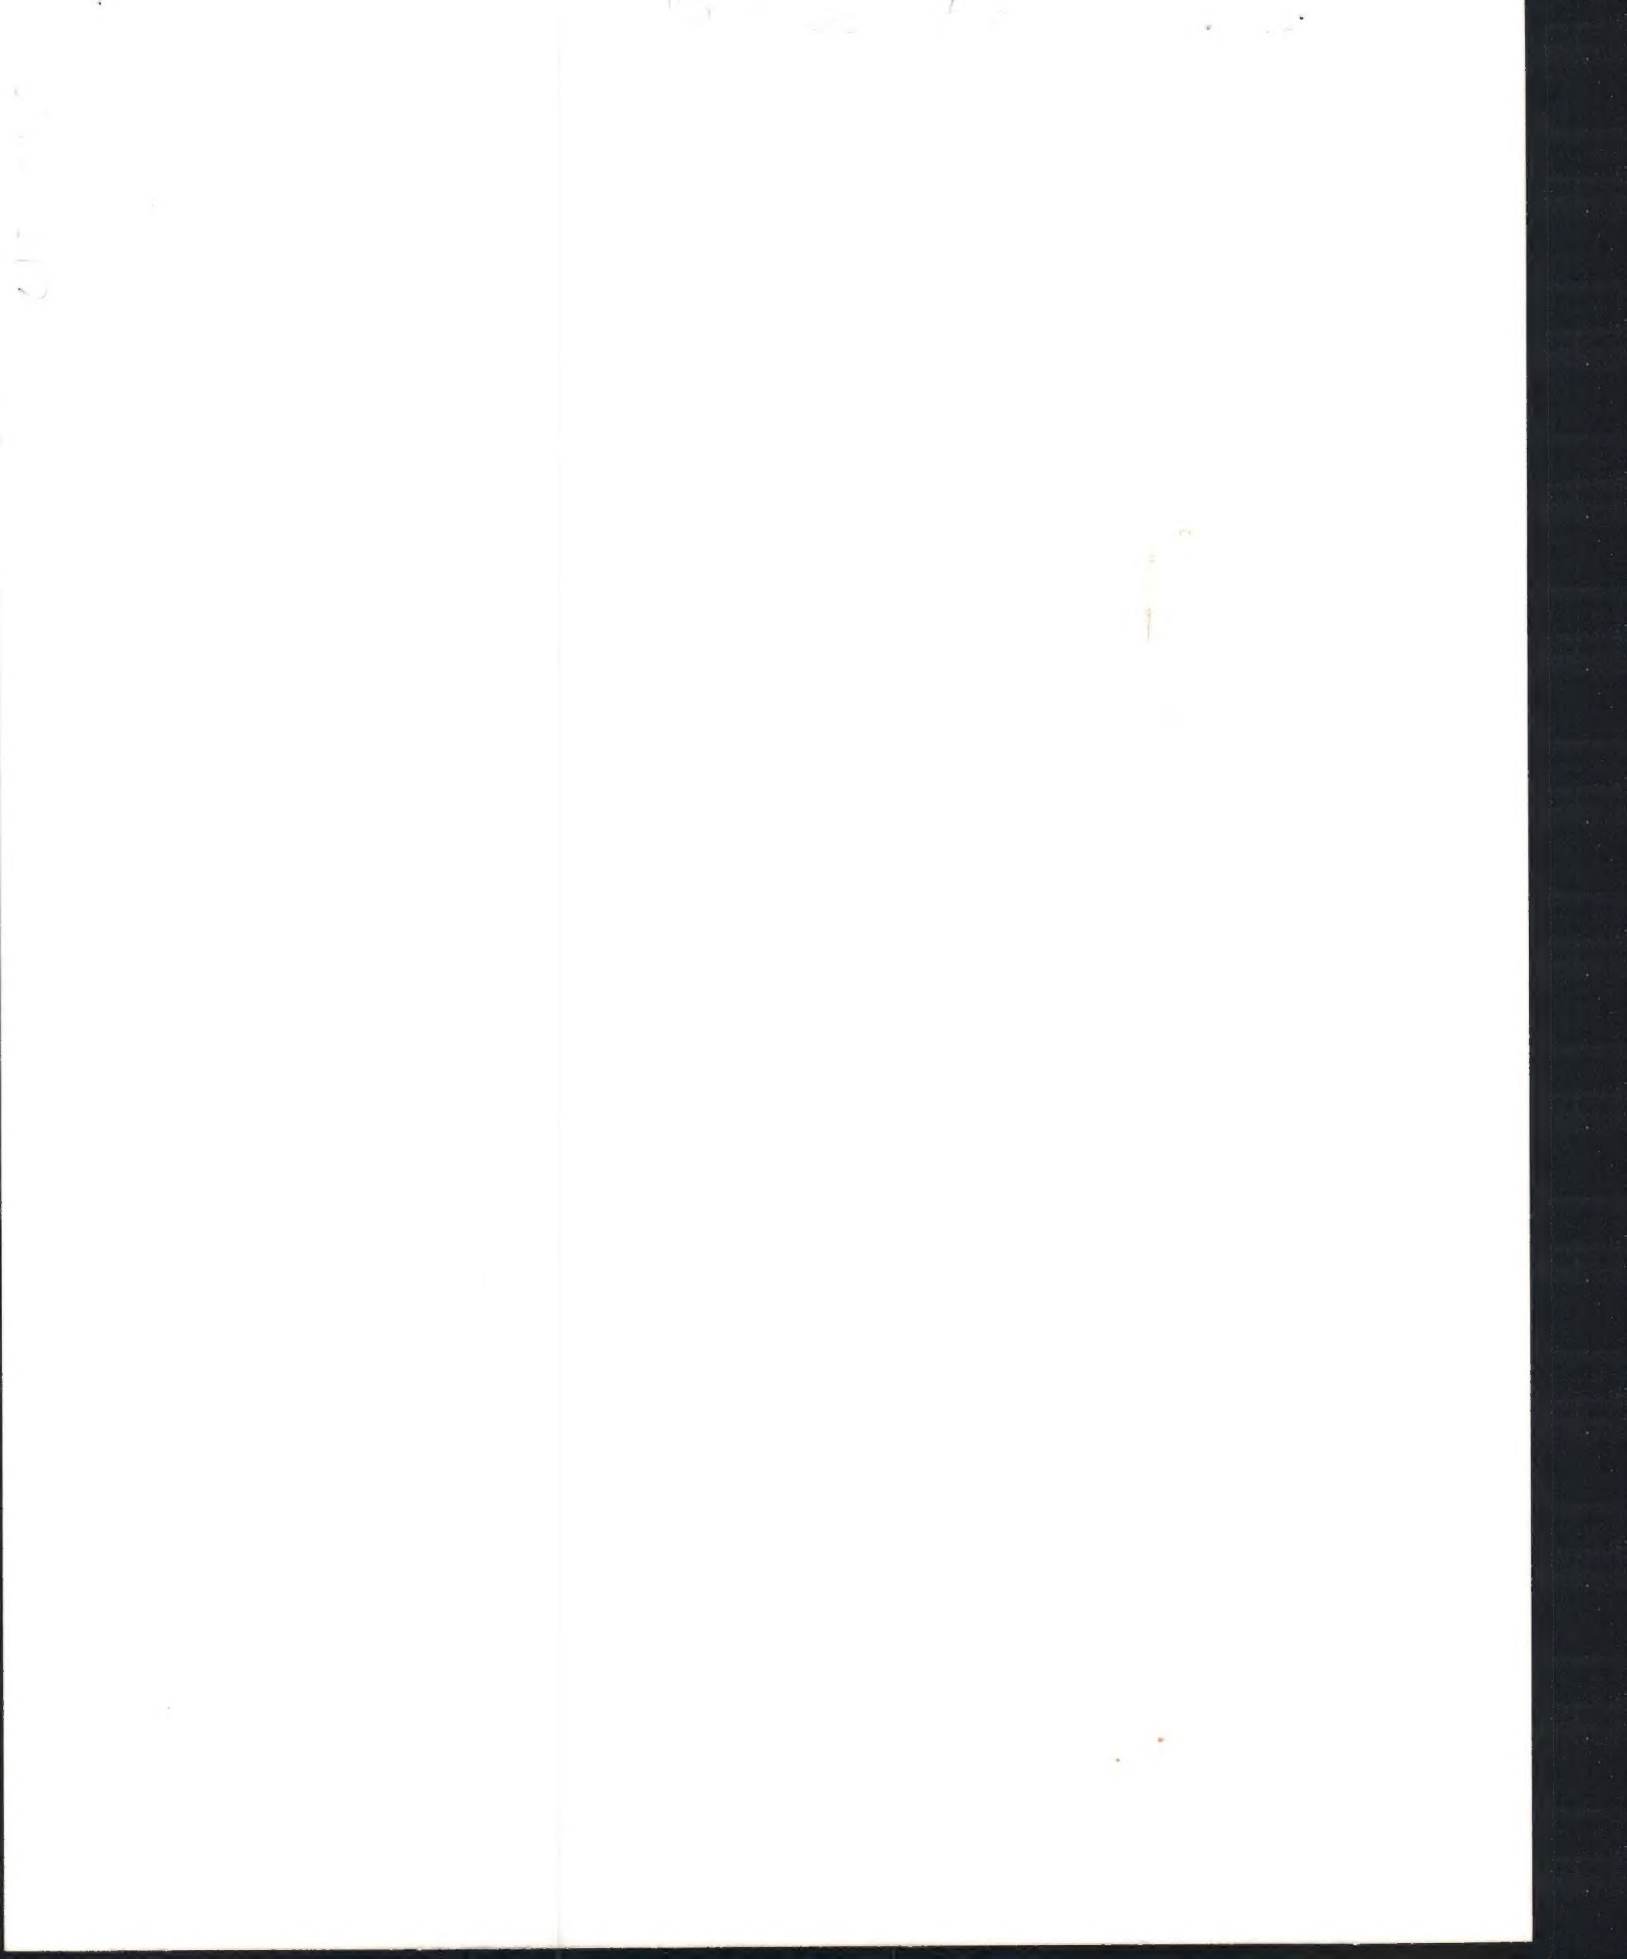

General Allen is a command pilot with more than 6,000 flying hours in B-47s, FB-111s, B-52s, KC-135s and T-39s. His military decorations and awards include the Defense Superior Service Medal, Legion of Merit, Distinguished Flying Cross, Defense Meritorious Service Medal, Meritorious Service Medal with one oak leaf cluster, Air Medal with six oak leaf clusters, Air Force Commendation Medal with one oak leaf cluster and Combat Readiness Medal.

General Allen is married to the former Josephine P. Jones. They have two children.
